Free Conference Report.

Senator Pollard sent up the following Free Conference Committee report:

Committee Room,
Austin, Texas, July 15, 1929.

Hon. Barry Miller, President of the Senate, and
Hon. W. S. Barron, Speaker of the House of Representatives.
Gentlemen:

We, your Free Conference Committee, appointed by the House and the Senate, have had H. B. No. 3 under consideration, and beg leave to report that we have reached an agreement on said bill as follows to-wit:

This committee has carefully considered the necessity of the various departments of the state government, and has endeavored as nearly as possible with the funds available to meet these necessities. There will naturally always be some inequalities, but the conferees of both Houses worked harmoniously with the single intention of cutting where the least harm would result, and the attached bill results in a decrease of \$409,681.92 from the former Conference Committee Bill vetoed by the Governor.

The total appropriations from the general fund carried in this bill amount to \$10,432,983.58.

The committee, in writing this bill, itemized it in such manner as to give the widest latitude to the Governor's discretion in vetoing such items as in his judgment he deems best.

The committee, therefore, has rewritten the entire bill, which is attached hereto and made a part hereof.

Respectfully submitted,

POLLARD,
WOODWARD,
HARDIN,
HORNSBY,

On part of the Senate.

MOSELEY,
HORNADAY,

On part of the House.

General Provisions Applying to All Departments.

All salaries to be paid in twelve equal monthly installments unless otherwise provided herein.

The appropriations herein provided are to be construed as the maximum sums to be appropriated to and for the several purposes named herein, and no expenditures shall be made nor shall any obligations be incurred, which, added to the actual expenditures will exceed the amounts herein appropriated for either of said purposes. Provided that the appropriations made herein for departmental maintenance and miscellaneous items for all the departments of the State Government may be changed and substituted within the totals and may be used as a contingent fund for departmental and miscellaneous items.

The amounts appropriated in this Act are intended to cover and shall cover the entire cost of the respective items, the same shall not be supplemented from any other source whatever, and no portion of the money appropriated for any particular item shall be used or expended for any other item than that for which such appropriation is made herein except as otherwise provided shall be paid to any person unless such person actually discharges the duties of the position for which such appropriation was made; and in no portion of the appropriation for one position shall be paid to any person holding any position other than that for which such appropriation was made. Provided that the provisions and the limitations herein above set forth

shall not apply to the support and maintenance of the penitentiary system of Texas and the State Department of Health and State Department of Education.

Provided, that the head of each Department keep a record of the absences of the various employees, the reasons therefor, whether from sickness, vacation or on leave of absence, and that the record of such absences be incorporated in the report made annually by the head of said Department.

Provided, further, that it shall be the duty of the head of any Department to transfer an employee of his office to any desk or place within his department when necessary to perform the duties of the department and proper dispatch of business.

Provided, however, that the head of any Department of State Government, or any Board or Commission of State Government may use part time employees to fill any position provided for in this Act at a salary not to exceed more than one-half the amount appropriated for such position.

Department employees herein provided for shall, without deduction in salary, be entitled to receive not exceeding twelve days vacation, exclusive of Sundays and legal holidays, on which State offices are closed, for each State fiscal year, such vacation period to be mutually agreed upon by the head of each Department with his employees.

Provided, further, that no employee for whom a salary is herein appropriated, shall receive compensation while on vacation unless he or she has been an employee of the particular department of which request is made for not less than six calendar months.

Provided, that all departmentments shall be allowed to close at 4:00 o'clock p. m. on Saturdays; and provided further that the head of any Department shall be authorized to excuse one-half of the employees of such department at noon on Saturdays, and that such Saturday afternoons shall not be construed to be a part of the twelve days vacation provided for above.

The following rules shall be observed by all employees in rendering their expense accounts to the head

of the department wherein they are employed, before an expense account shall be paid from appropriations herein made for "traveling expenses" for employees:

1. There must be a concise statement of the duties performed and the points from which the employee travels, the hour of arrival at and departure from the designated post of duty and all other towns visited and the object of such visit and the specific expenses incurred shall be clearly shown.

2. The name of hotel, restaurant, boarding or rooming house at which meals and lodging are procured shall be given in every case.

3. Fees, as tips to waiters on dining cars, or at hotels or restaurants shall not be approved.

4. The use of railroad scrip books and other forms of transportation provided at the expense of the State for the heads of all State Departments, except the Adjutant General's Department and institutions and their employees, except passes authorized by law, are hereby prohibited, and hereafter all railroad and other transportation shall be paid in cash and properly listed in expense accounts rendered. Tax exemption certificates shall be used in all cases where the State is exempt from the payment of Government tax under Federal Provision. That it shall be the duty of each and every Department of the State Government to make a sworn itemized statement to the Board of Control quarterly of the amount, if any, expended by said Department, and especially for traveling expenses.

Provided, that no Department included in this Act shall use any of the means or funds appropriated to

such Department, either directly or indirectly, for the purpose of sending out literature, propaganda, letters or bulletins, or any other matter, printed or written, or that will influence, or tend to influence in any way the passage or repeal of any law or appropriation affecting any Department included in this bill; and provided, further, that no stenographer or clerk whose salary is paid from public funds or who is employed in any way in any Department included in this Act, shall, in any way, be used or employed in preparation of or mailing out of, or in any way handling such literature, propaganda letters or bulletins, or any other matter printed or written, that will influence, or tend to influence, in any way, the passage or repeal of any law or appropriation affecting any Department included in this Act, and no such work shall be done or performed in any of the offices or rooms of the capitol or other State buildings, nor shall any long distance telephone calls or telegrams be paid out of this fund.

Provided, that of the money appropriated herein for stamps none shall be spent except on vouchers made payable to a United States post-office so long as State is on cash basis endorsed by him.

Sec. 2. The fact that the above and foregoing is one of the regular appropriation bills for the support and maintenance of the State Government for the two-year period beginning September 1, 1929, and ending August 31, 1931, and in the interest of good public policy should be passed as speedily as possible, creates an emergency and imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and that this Act take effect and be in force from and after its passage, and it is so enacted.

Read and referred to the Committee on Governor's Nominations.

Executive Office,
Austin, Texas, July 16, 1929.
To the Forty-first Legislature:
Ladies and Gentlemen:

I am advised that Senate Bill No. 24, has passed the Senate, has been favorably reported by a committee in the House, and that a motion not to print the bill has been adopted by the House. I understand that some point of order has been raised that the subjects submitted do not cover this bill. The bill is an amendment to Chapter 186, page 456, Acts of the Thirty-ninth Legislature, passed at the Regular Session. The sponsors of this bill advise me that it is merely corrective of the present statute. I submit the subject of amending the above mentioned Act of the Thirty-ninth Legislature, to relieve the parliamentary situation affecting the aforementioned Senate Bill No. 24.

I am further advised that a bill has been introduced in the House amending Article 922, Code of Criminal Procedure, and that this bill is before the House with the Committee's favorable report; that a point of order has been raised that the bill is not embraced in any of the subjects previously submitted. This bill has as its purpose the amendment of the aforesaid article, to prescribe additional requirements with

reference to filing affidavit as to insanity after the conviction of defendant. The need for amendment is obvious. Since the issue is now before the Legislature, I submit the subject of amending this Article of the Code of Criminal Procedure.

Respectfully submitted,
DAN MOODY,
Governor of Texas.
